

स्कूल ऑफ प्लानिंग एंड आर्किटेक्चर में दीक्षांत समारोह

लोकल कल्चर और मटेरियल का यूज कर सिटी में ला सकते हैं यूनिवर्सिटी

तनुष्का गुप्ता को मिला पहला गिरिराज किशोरी मेमोरियल अवार्ड

पत्रिका PLUS रिपोर्टर

भोपाल • स्कूल ऑफ प्लानिंग एंड आर्किटेक्चर (एसपीए) में शनिवार को सालाना दीक्षांत समारोह का आयोजन किया गया। ऑनलाइन आयोजित इस समारोह में तीन शोध वाचस्पति उपाधि सहित योजना और वास्तुकला विषयों की 231 स्नातक और परास्नातक उपाधि प्रदान की गईं। नौ स्टूडेंट्स को गोल्ड मेडल और नौ स्टूडेंट्स को बेस्ट थीसिस अवार्ड मिले। तीन स्टूडेंट्स को थीसिस में सर्टिफिकेट दिए गए। इसके अलावा दो स्टूडेंट्स को उत्कृष्टता पदक और एक स्टूडेंट को गिरिराज किशोरी अवार्ड मिला। तनुष्का गुप्ता को मिला पहला गिरिराज किशोरी मेमोरियल अवार्ड कार्यक्रम के मुख्य अतिथि वास्तुविद सतप्रेम मैनी और एसपीए भोपाल के शासी मंडल के अध्यक्ष प्रो. डॉ. विमल पटेल ऑनलाइन शामिल हुए।

टारगेट स्टडी पर फोकस

इस अवार्ड की शुरुआत पहली बार की जा रही है, जिसे पाकर मैं बहुत खुश हूँ। मुझे अंडर ग्रेजुएट गर्ल में हायर मार्क हासिल करने पर यह अवार्ड मिला है। अभी मैंने आईआईटी बॉम्बे में मास्टर इन अर्बन डिजाइन इन इंजीनियरिंग में एडमिशन लिया है। मैं इंडियन सिटीज की समस्या को सॉल्व करना चाहती हूँ। जैसे हाउसिंग, प्लानिंग और अर्बन डिजाइन। एग्जाम के दौरान 10 से 12 घंटे तक स्टडी की। मेरा कोर्स पांच

तनुष्का गुप्ता,
गिरिराज किशोरी अवार्डी
साल का था। मैंने बहुत सारे रिसर्च पेपर लिखे। रेगुलर स्टडी पर फोकस किया है। यही कारण है कि मैं आज गोल्ड मेडल जीतने में कामयाब रही।

मैंने लॉकडाउन में मिले समय में पढ़ाई की। मैंने क्लाइमेट चेंज पर केंद्रित बच्चों के लिए पीपअप बुक बनाई थी। यह बुक पूरी तरह से इकोफ्रेंडली थी, जो ग्राउंड पेपर से बनी थी। मेरा कोर्स मास्टर ऑफ डिजाइन रहा। जिसमें मैंने विजुअल कम्युनिकेशन सबजेक्ट लिया था। मैंने पूरी क्लास में टॉप किया। कॉलेज में जो ग्राइडेंस मिलती थी उसके आधार पर ही काम करती थी। इस दौरान 14 घंटे तक पढ़ाई की। मेरा लक्ष्य बच्चों को विजुअली क्लाइमेट चेंज की जानकारी देना है।

रिंकी संभानी, प्रोफेसरी गोल्ड मेडल

मैंने मास्टर ऑफ आर्किटेक्चर इन अर्बन डिजाइन से कोर्स पूरा किया है। अर्बन डिजाइन हम शहर और लोगों के बारे में पढ़ते हैं। मैं कोशिश करती थी कि ऐसी जगह जाकर जानकारी हासिल करूं, जिससे डिजाइन करने में आसानी रही। सही युक्तियों पर बोलना और उसे उठाना ही रिकवियरमेंट है। अभी जिस तरह से हमारे शहर डेवलप किए जा रहे हैं वह वेस्टर्न कॉन्सेप्ट पर आधारित है। मुझे लगता है कि शहर के लोकल कल्चर और मटेरियल का यूज कर सिटी में यूनिवर्सिटी ला सकते हैं।

जागृति श्रिवस्तवा, प्रोफेसरी गोल्ड मेडल और बेस्ट थीसिस

मैंने मास्टर ऑफ आर्किटेक्चर कन्जर्वेशन का दो साल का कोर्स किया है। इस दौरान मैंने ऐतिहासिक इमारतों का पुर्ननिर्माण करना सीखा। जिसमें सदर मंजिल, इस्लाम नगर, उत्तराखंड के मंदिरों में अपने प्रोजेक्ट पर काम किया। मैंने देखा है कि पुराने महलों को खंडहर समझा जाता है उनका नया निर्माण किया जाता है, तो हमारा काम यह है कि जो पुरानी कारीगरी उस इमारत में दिखाई दे रही है उसी कारीगरी के हिसाब से उसे बनाया जाए। जिसमें इनको अगली पढ़ी को दिखा सकें।

आयशा सिंह, प्रोफेसरी गोल्ड मेडल

Convocation ceremony video recording

No.:SPAB/Dean(A)/7th Convocation/2020

Dated: 17.11.2020

Dear Alumnus,

It is my pleasure to inform you that the Seventh Convocation of SPA Bhopal will be held in the first/ second week of December 2020. In this Convocation ceremony, degree will be awarded to all U.G, P.G. and Ph.D students who have graduated from SPA Bhopal since Sixth Convocation till date.

The convocation will be conducted online except for Ph.D degree recipients. The specific date and time of the convocation ceremony will be announced shortly.

We extend a most cordial invitation to you to attend the Convocation. You may receive your degree online and later by post or in person. We hope that you will make it convenient to join the occasion. We also extend an invitation to your parents/ spouse to attend and witness the ceremony along with you.

A form will be available shortly on this website. Kindly fill the form latest by 26th November 2020 and pay the requisite fees (Rs. 2000/-) through SBI I-collect.

Dr. N.R. Mandal
Professor & Dean (Academics)

[Chief guest address on the 7th Convocation.](#)

Satprem Maini, French national born in Bône, Algeria, is the director, executive and soul of the Auroville Earth Institute. He works as an architect and builder, consultant, researcher, trainer and lecturer. He studied in France and holds a master's degree in architecture and a postgraduate master's degree in Earthen Architecture from CRATerre. Since 2000, he has been the representative for Asia of the UNESCO Chair "Earthen Architecture, Constructive Cultures and Sustainable Development".

Since 1989, Satprem has trained over 13,500 people from 91 countries. He has been active in 36 countries for consultation, lectures and workshops. He has built more than 30 projects in India, 3 projects abroad and has produced more than 22 publications. Under his leadership, the Earth Institute has won awards, has educated several generations of young architects in India and abroad, and has become one of the global centers for excellence in earthen construction

and research.

He is an occasional consultant for the United Nations (UNESCO, UNIDO, UNDP, UNCHS / Habitat); a member of CRATerre/ENSAG (International Centre of Earth Construction, France), an honorary member of ABC Terra (Brazilian Centre for Earth Construction), a member of the German Network of earth builders (Dachverband Lehm e.V.), a member of ISET (the Indian Society of Earthquake Technology), and a member INHAF (India Habitat Forum).

School of Planning and Architecture, Bhopal

7th Convocation, 5th December 2020

Director's Report

Distinguished Chief Guest: Sh. Satprem Maïni, Dr. Bimal Patel, Chairman, Board of Governors, Esteemed Members of the Board of Governors and Senate Members; Faculty and Staff members of School of Planning and Architecture Bhopal, Distinguished Invitees, Dear Graduands, Students, Ladies and Gentlemen: It is a great pleasure and honour to welcome you to the 7th Convocation of School of Planning and Architecture Bhopal. We, whole heartedly, thank you all for being a part of this Convocation Ceremony. Now, it is my great privilege to present the progress that SPA Bhopal has made since the last Convocation held in 2019.

Currently, SPA Bhopal is offering, two bachelors, seven master's degree programmes and doctoral programmes. Today, 231 graduates (including three PhD scholars) from these nine programmes will be awarded degrees. We are happy to inform that the first batch would be graduating from the Department of Design and Department of Transport Planning. Also, two medals of excellence, nine proficiency gold medals, and one memorial medal will be given.

On this occasion, we wish to proudly place on record that SPA Bhopal, in line with its vision, has made several efforts in addressing physical and socio-environmental challenges through academics, research and innovation. In order to meet the academic needs, our faculty strength in various Departments at Assistant, Associate and Professor levels is increased. We were supported by various professionals in the field from India and abroad in our academic efforts.

Our academic excellence would not have been possible but for the committed and efficient faculty, who, delivered lectures, studios in addition to their contribution to peer reviewed journals, national and international conferences, even during pandemic times. We took up several research and professional projects, had conducted international conference, national seminars and professional development programmes. Like the Lion's 'Pride', our students nurtured by our faculty, have brought laurels to the institute by participating and winning various international awards such as Student Charrette Winne, Berkley Essay Price on Architecture.

SPA Bhopal has organized series of webinars and special lectures related to pandemic, National Education Policy, design, landscape, environmental planning, and urban planning, etc., even during the pandemic lockdown period. Various eminent national and international experts were invited for this. As a part of EU sponsored BReUCom project, two professional development programmes were conducted. Our project with Mahindra Initiative with DST, we are providing battery cycles in villages. SPA Bhopal is helping the MP Govt in designing the Sanchi Dairy across MP state. We are committed and socially responsible too. When the State Government sought our help for Covid-19 Rehabilitation center, SPA Bhopal extended fully support and provided hostels for this purpose. Our Students and faculty organized blood donation camps in our Campus, and developed the villages under Unnat Bharat Abhiyan.

To expand joint horizons, we collaborated with a number of reputed international institutes and organisations like UN-Habitat, GIZ, University of Florence; National and state institutions such as NITTR, NID Bhopal, Smart City Bhopal, and MP Metro Rail Corporation. SPA Bhopal is working for the Agri-Produce logistics for the first time in India for Niti Aayog. Ministry of Panchayati Raj and Ministry of Rural Development, identified SPA Bhopal as a mentor Institution for Rural Development across India.

We are making constant efforts to improve the campus infrastructure, within the budget constraints due to Covid-19. We have improved accessibility by inclusive design of washrooms, ramps and also planning to install a lift in the existing academic block. A few recent green initiatives on our campus include water harvesting, integration and using of solar energy, bamboo plantation and ecofriendly concepts such as bicycle usage.

In line with our plans for the future, SPA Bhopal has started the construction of our Academic Block. On the software side, we have planned for new degree programmes, as suggested by the National Educational Policy, including Five Year Integrated Bachelor's in Planning, Master's degree in Spatial Technologies. We enthusiastically looking forward to integrate and use the latest technology such as drone technology, AI and ML in our academic and research endeavours. We have a dream for the future to make this institution and the country, a powerful, technologically and scientifically advanced in this World.

We know our students who graduate from here shaped by our expert faculty, can make this dream real. The Graduands who are now stepping to the world, through this convocation, will be executing the dreams, that we nurtured over the years. We wish you all the very best for a bright future, and we thank your proud parents for the trust that they had in us and we are sure that we could fulfill your dreams.

--Jai Hind--
