

Pradhan Mantri Awas Yojna – Gramin

SUMMER INTERNSHIP

3rd June to 31st July 2025

Sl. No.	Type of Activity	Description	Date
1.	Orientation programme, Bhopal	Learning about Surveys to be conducted	3.June 2025
2.	Reporting to Designated Block	Coordinating with PO and finding local team and accommodation	4 – 5 June 2025
3.	Reconnaissance Survey all across Block	<ul style="list-style-type: none"> Interns along with Volunteers under the Guidance of PMAY PO would travel to all villages of the Block and identify Local building material and technologies. They will identify and delineate Zones within the Block consisting of villages based on similarity of occupations, climate, terrain, House types, construction materials. One Block may have 2 zones or 5 zones, based on how much difference is there in character and building materials of villages. The photos from villages along with GP list and Map provided will have to be uploaded on a Google Form for Block Level Survey within 10 days. 	5-15 June 2025
4.	Housing Typology and Household Survey	<ul style="list-style-type: none"> From each Zone, interns will visit selected villages where the best examples of traditional building construction are identified. They have to undertake two surveys on Google Forms, at every house identified by them: <ul style="list-style-type: none"> (i)Housing Typology and Material Survey in which they will take photos and make drawings of the building and (ii) Household Survey to ask family members about the house 	15 June -31 July 2025
5.	Settlement Survey	For every village from which houses are selected, a village level survey is to be conducted. These surveys will be done after household survey, and will also document the availability of local craftsmen and skilled labour for traditional house construction.	

A minimum of 25 houses have to be surveyed and **a maximum of 50 houses** have to be surveyed in every block selected from different zones identified, to represent best diversity, in 45 days and all data captured have to be submitted through Google Forms circulated to interns.

A total of **4 Google forms** have to be filled with attachments as mentioned:

1. Initial Block level survey form to identify Zones
2. Housing (Technology and material) Survey of selected houses
3. Household Survey in the same houses
4. Settlement Level Survey of villages in which the Houses are selected.
