DESIGN AS ENABLER FOR AUTISM

April 25th 2024, Thursday, 3.30 PM to 5.30 PM

PROGRAMME OVERVIEW

School of Planning and Architecture, Bhopal (SPAB) is an Institution of National Importance under Ministry of Education, Govt. of India. A multidisciplinary Center for Human Centric Research (CHCR) housed at SPAB, practices 'equity by design' to include vulnerable populations in architecture, design and planning practices. The CHCR organizes events for educators, professionals, students and other stakeholders, to raise sensitivity and celebrate diversity. In order to observe 'Autism Awareness Month- April 2024' and promote full realization of human rights and fundamental freedoms for persons with Autism, the CHCR is organizing a webinar titled 'DESIGN AS AN ENABLER FOR AUTISM'. This webinar will discuss the role of designers in creating enabling environments and share SPAB's students' empathy towards autism.

The webinar is scheduled from 3.30 PM to 5.30 PM on Thursday, April 25th. Those who are interested to attend the webinar are requested to register at <https://forms.gle/pNfBFdeECpwu7KvWZ>. The organizers will send a webinar link to all registered participants, a day prior to the event. There is no fee to attend the event.
