WEBINAR SERIES

Rural Development: Emerging Issues and Challenges in Post COVID-19 Pandemic

03 June, 2020 (Wednesday)

at 11.00 am

The webinar will discuss issues like the current plight of rural migrants, pressure on agriculture and allied sectoral activities, etc. Whether the time has come to re-frame village spatial planning to revive rural India with boost of economy and agro-based industries keeping in mind the Government of India's new mantra of Atmanirbhar Bharat.
