

## **Celebration of National Education Day 11 November, 2021**

With reference to the letter from the Ministry of Education, Government of India and instructions of the Director SPA Bhopal for observance on Celebration of "National Education Day" 11 November, 2021, a group of faculty members listed below

- (1) Dr. A. K. Vinodia, Dean (R & C)
- (2) Dr. Sandeep Arora, Assistant Professor (Arch)
- (3) Ms. Shweta Saxena, Assistant Professor (Arch)
- (4) Mr. Gaurav Vaidya Assistant Professor (Planning)
- (5) Mr. Vibhor Bakshi Assistant Professor (Planning)

have visited two schools situated close vicinity of our campus i.e.

- (1) Shashkiya Bhagat Singh High school of Village Barhkheda salam Bhopal (9-10th)
- (2) Shashkiya Sardaar Ballabh Bhai Patel Uchhtar madhyamik vidhyalaya , Bhauri Bhopal (11-12th)

The purpose of visit was to interact with the students of (9th -12th std) to discuss with them for their education prospects and explaining them regarding architecture and planning discipline as future carrier option along with awareness for various other initiatives from the government of India.

First we visited Shashkiya Bhagat Singh High school of Village Barhkheda salam Bhopal. Here we met with school principle and explained her regarding objectives of our visit. Principle was very happy with the objectives, she arranged a meeting with class 9th and 10th standard (As this school is only up to 10th) students in a class room where we interacted them. We all faculty asked few questions related to National Education Day and then gave them comprehensive information for architecture and planning discipline includes basic introduction, eligibility criteria, entrance examination options, admission, available institutions, course and employment opportunities etc. also answered to the queries of the students related to education, fees, coaching etc.

After one and half hour discussions we leave to another School i.e., Shashkiya Sardaar Ballabh Bhai Patel Uchhtar madhyamik vidhyalaya of Village Bhauri Bhopal. This school has 11th & 12th students. Here we met with school principle and explained her regarding objectives of our visit and then interact with the students, tried to know their interest and awareness for higher education options. we again tried to explain them various carrier options after 12th with focus on design, architecture and planning discipline. Photographs taken during visit is attached herewith for your kind information.

Thank you so much on behalf of all accompanied faculty members
