NOVEL CORONA VIRUS: ADVISORY FOR SPAB FAMILY

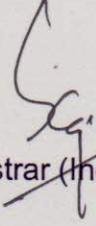

Novel Corona Virus infection is spreading across India and hence the SPAB community is advised to be very cautious and take the preventive measures as instructed by the Ministry of health and family welfare, Govt. of India (Kindly visit : [http:// www.mohfw.gov.in](http://www.mohfw.gov.in) for details).

Parents of students who have visited home for **holi** are requested to ensure that their wards do not have any symptoms of the disease and in case of any doubt of infection, the child may be kept at home and sent back only after the child has recovered and is physically fit.

On reporting back to the campus students are advised not to undertake any intercity travel. Any student, having any symptom of infection like fever, headache and cough are instructed to seek medical aid immediately and follow the instructions of the doctor strictly. The infirmary has been directed to act in accordance with state-directives on tackling Novel Corona Virus.

Every member of SPAB family are requested to take all possible preventive measures from getting infected and seek medical help in case of any symptoms. The wardens, caretakers and faculty are requested to refer the doubtful cases to our infirmary, promptly.

Let us extend our fullest cooperation to contain the spreading of this disease.
