Ordinance for Undergraduate and Postgraduate Programmes (Amended) 2024

i). Preamble

School of Planning and Architecture Bhopal (SPAB), established in 2008, an Institution of National Importance under the Ministry of Education, Government of India, is mandated to promote education and research in the disciplines of planning and architecture. Given its mandate, SPAB intends to be the preeminent public research and teaching academy in architecture and planning in the country and aspires to attain (a) international standard by integrating teaching and learning, (b) advancement of the knowledge base through research and scholarship and (c) leadership in service and outreach.

SPAB aspires to emerge as a think tank in the sphere of planning and architecture nurtured by a forward-looking, dynamic and efficient collective leadership. Human and knowledge resources being catalytic agents for social and economic development of our nation, and in view of a national shortage of quality manpower in architecture and planning, SPAB shall endeavour to face the challenge squarely with a holistic approach.

- To inculcate the practice of inter-disciplinary and multi-disciplinary approaches in planning, architecture and design pedagogy.
- To equip the students with relevant knowledge and skills to enable them to shoulder responsibilities based on an informed perception of local, regional, national and global needs.
- To build a unique blend of curricular, experiential, and research programmes delivered within a student-centric culture.
- To create and foster networking opportunities with the academia, government institutions, research organisation and industry towards undertaking cutting-edge collaborative research.
- To ensure dissemination of research findings and engage in outreach programmes towards capacity building and public service.
- To nurture genuine scholarship, creativity and encourage entrepreneurship.
- To promote teamwork and engage in productive partnerships.
- To forge meaningful interdisciplinary programmes.

- To facilitate ethical and value based instructional improvement through timely and sustained capacity building of members of faculty.
- To develop global competencies amongst students by enhancing their employability and contribute to human resource development.
- To develop and introduce various non-credit programs dedicated to promote effective citizenship amongst students through community service and public education.
- To strengthen the communicative ability (speaking, reading, writing and listening) of students.
- To develop the Interpersonal skills of students, enhance their technical literacy, and inculcate into them the trait of critical thinking.
- To nurture the hidden talents of students through extracurricular activities.

SPAB aspires to emerge as an international academy whose academic portfolio, research agenda, and educational model align with the shifting needs of the society. It strives for built sustenance through sustainable architecture, social sustenance through universal design, cultural sustenance through conservation, and human settlement sustenance through habitat planning and design. In line with National Education Policy (NEP) 2020, SPAB is committed to train planners and architects for the nation who could exhibit high academic standards and take up the challenges of physical and socio - environmental development of the country. SPAB aspires to engage in meaningful research on topical themes in the areas which inter alia include the following departments at SPAB: architecture, conservation, landscape, urban design, building engineering and management, urban and regional planning, environmental planning, transport planning, and design.

Regulation-7: Conduct of Courses

- i. HoD will appoint a faculty as Programme Coordinator who will be responsible for ensuring the smooth conduct of all courses of undergraduate and postgraduate program as per RG 18.
- ii. HoD, along with the Program Coordinator, shall call a meeting of newly admitted students along with all the members of faculty at the beginning of each academic session to apprise the students of the programme outline and various academic requirements, which inter alia include minimum attendance, coursework, method of instruction, evaluation (grades), submittals, tours, SPAB activities etc.
- iii. Any changes in the syllabus, credit system, method of evaluation, method of instruction etc., shall first be discussed at the respective department and then by the respective Advisory Committees before placing the matter to the Senate for approval.
- iv. Each Subject / Studio / project shall have a Coordinator and, if needed, a Co-Coordinator. Subject / studio / project allotment amongst faculty shall be decided in faculty meeting of the department to be convened before the start of subsequent semesters and such allotment shall be on a rotational basis to the extent possible.
- v. Allocation of subjects external to the SPAB shall be applicable based on SPAB's Credit Exchange Policy. External students (students not enrolled in SPAB) may also be permitted to opt for subjects in SPAB based on the same policy. All evaluation and credit equivalence of such courses shall be governed by the clauses mentioned in the policy.
- vi. Each Subject / Studio Coordinator shall brief the students at the start of the semester about the content of the subject / studio, assignments for internal assessment, dates for various submittals, reference / reading materials etc.
- vii. Teaching load amongst members of faculty shall be assigned by the concerned HoD in consultation with program coordinator as unanimously decided at the Departmental meeting.
- viii. The HoD shall ensure the timely publication of the timetable for each programme duly approved by DoA. The timetable shall consider the normative weekly load assigned to each faculty. Any subsequent change in the timetable during the semester is permissible to deal with various types of exigencies and such revised timetable should be duly notified by the HoD after obtaining approval of DoA.

- ix. Semester studio/ project brief (duly approved by HoD) with stage-wise activities, timelines and tentative dates of reviews must be provided to the students at the beginning of the semester without fail.
- x. In the event of faculty availing any leave, adequate alternate arrangements shall be made for the conduct of classes.
- xi. The classes for a course must be held in the time slot given in the timetable. In exceptional situations, another empty slot may be used for regular classes if it suits all the registered students.
- xii. Make-up classes may be conducted in consultation with students after teaching hours or during Saturdays. However, no make-up class would be conducted on Sundays and SPAB Notified holidays.
- xiii. A member of faculty shall prepare the lesson plan for each subject / studios / project etc. assigned to him / her and submits the same to the Programme Coordinator /HoD.
- xiv. Each faculty shall ensure submittals from students in the form of slide presentations, debates, symposiums, seminars, essay writing etc., and make sure that the same is evenly distributed within the semester.
- xv. All feedback to the students shall be made within a fortnight.
- xvi. It shall be mandatory for each student to fill in the Faculty Feedback form before the end semester examinations, failing which no admit card shall be issued to the student.
- xvii. HoD, in consultation with Programme Coordinator and the members of faculty may design suitable remedial measures for academically weak students.
- xviii. The HoD shall convene periodic meetings to review the affairs of the Department and send the minutes of the meeting to all members of faculty and the DoA.
- xix. A faculty coordinator for professional training shall be appointed by the concerned department for the conduct of training and viva-voce of the subject.
- xx. Training and Placement Cell of the SPAB shall function following the Rules framed by the Training and Placement Cell.

Regulation-8: Attendance

- i. Attendance shall be recorded from the day of commencement of classes.
- ii. Hundred percent attendances are expected in all classes (lectures, tutorials, laboratories, studios, workshops, extra academic activity, survey, study tours etc) and are mandatory.

- iii. A student must satisfy the requirement of minimum attendance separately in each subject/studio/project/design/thesis etc.
- iv. Subject to certification of the Subject / Studio Coordinator and endorsement by the HoD, a maximum of 25 percent of mandatory attendance can be condoned by the HoD on the grounds of illness, extraordinary circumstances (death or accidents in immediate family), exigencies, or participation in various academic, cultural and sports competitions permitted by SPAB.
- v. A student must formally inform the Programme Coordinator / HoD about his/her illness. If the situation so warrants, either parents / guardian [as recorded in the office of AR(A)] must formally inform the Programme Coordinator / HoD about the student's illness. A student must produce a valid certificate from a registered medical practitioner along with his/her application to condone the leave of absence due to illness. HoD reserves the right to reject any application for condoning the absence on medical ground if s/he is not satisfied with documents provided by the student.
- vi. A student must produce a valid certificate of participation from a competent authority along with his/her application to condone the leave of absence due to participation in any academic, sports or cultural events. HoD reserves the right to reject any application for condoning the absence on such grounds if s/he is not satisfied with the documents provided by the student.

In case of seeking exemption for participation in any sports, cultural, extra-curricular or professional events, prior permission must be sought, and approval taken from HoD. In addition, on returning from the event, a student must produce a valid certificate of participation from a competent authority. HoD reserves the right to reject any application for condoning the absence if s/he is not satisfied with documents provided by the student.
- vii. The attendance of a student during the semester shall be recorded against each subjects/ studio/ project/ design/thesis etc., taught/ conducted during that particular semester. - xi. A student shall be given a maximum of three additional attempts to clear a subject in which s/he has failed when the subject was offered in the regular curriculum, two supplementary examinations and one more regular examination (with re-registration in same subject in subsequent academic session), failing which his / her registration as a student in SPA Bhopal shall stand annulled. However, such provision shall be within the maximum period in which a student must complete the programme as given under RG 3.
- xii. A student who fails to score the pass marks in the progressive evaluation of a Subject shall be evaluated afresh for the Progressive Evaluation Component by submitting assignments to the Subject Coordinator (appointed by the respective department) in the next semester when that particular Subject is offered. S/he is not required to attend classes on the subject again.
- xiii. The scheme of evaluation as given under RG 9 (iv) will not be applicable for the subject of Professional Training / Planning Internship / Training Seminar. The evaluation of this Subject shall be made at the end of the training period. The evaluation of this Subject shall be done in accordance with the guidelines given in the Training Manual of the SPAB amended from time-to-time.

- xiv. In case of change in syllabus affecting the placement of subjects, students repeating a semester may be allowed to (i) continue on old scheme, (ii) migrate to new scheme or (iii) a new blended scheme designed for each student, to cover all subjects being affected. This decision may be made on case-to-case basis by the HoD in Consultation with DoA and with approval of Chairperson, Senate.
- xv. Academic Office shall ensure that a student does not suffer any year back due to the relocation of subject/s from one semester to another semester. Under such circumstances, special permission from the Chairperson, Senate shall be sought through DoA by the AR (A) to conduct Special Examinations or take action as per (xi) above.

Regulation-10: Conduct of Examinations and Progressive Evaluation

- i. The Academic Office shall conduct all examinations under the supervision of AR (A). Controller of Examination (CoE) and DoA shall oversee the overall conduct of the examinations.
- ii. Supplementary examination of ESE of odd semester shall be held in the month of May of next calendar year and that of even semester shall be held in the month of July of the same calendar year duly notified by the AR (A) unless otherwise communicated.
- iii. The concerned subjects/studio/project/design/thesis etc., coordinators shall keep all records in safe custody pertaining to progressive assessment of subjects/studio/ project/ design/ thesis etc. S/he teaches / coordinates, until the student passes in that subjects/ studio/ project/ design/ thesis etc.
- iv. The scorecard shall reflect the student having passed a Subject in supplementary examinations against the subject(s).
- v. The template of question paper shall be circulated by the AR (A) from time-to-time. The font, font size, watermark, heading and other mandatory entries shall be strictly followed by the Question Setter. No question paper shall be entertained if it does not conform to the template sent by the AR (A).
- vi. All faculty shall submit Question Papers/ Time Problem for ESE one week before the examination. Submission of evaluated answer books of ESE shall be done one week from the date of receiving the answer books. Faculty evaluating more than 100 answer books shall get 10 days to submit the answer books.

- vii. In case a Subject Coordinator is not in a position to prepare the question paper(s) and/or evaluate the answer books due to some extraordinary exigency, the HoD in consultation with Programme Coordinator shall assign the responsibility to any other faculty and ensure that the question paper(s) and answer books are submitted to the Examination section by the stipulated date.
- viii. The concerned examiner shall be responsible for the safe custody of the answer books till these are returned to the Examination section after evaluation of ESE.
- ix. AR (A) shall maintain a register for receiving the question papers, marks as well as answer books with dates.
- x. Both the Examiner as well as the AR (A) shall satisfy each other about the number of answer books received and returned.
- xi. Question papers of ESE shall be properly archived by office of DoA. However, answer books shall be disposed of periodically as decided by SPAB from time to time.
- xii. A student shall not carry any instrument, tools and gadgets that are not allowed inside the examination hall. The invigilator shall, before distributing the answer books and question papers, ensure that no student is carrying any instrument, tools and gadgets that are not permitted inside. Any such thing found in the possession of any student inside the examination hall shall be confiscated and shall be returned to the student after the examination is over.
- xiii. However, graph paper, log table, various statistical tables, IS Codes and any kind of reference materials may be provided to the students inside the examination hall subject to the approval of concerned Subject Coordinator(s).
- xiv. A student shall not be allowed to enter the examination hall fifteen minutes after the commencement of the examination and shall not be allowed to leave the examination hall half an hour before the examination ends. A student may leave the examination hall for using the wash room but must return within ten minutes. Such temporary leave from the examination hall shall be granted only twice during the entire duration of the examination. Temporary leave exceeding ten minutes shall disqualify a student to enter the examination hall. The invigilator shall record the temporary leave in a register and shall strictly follow the timings of entrance to and exit from the examination hall.
- xv. A student may request for sick bed if s/he is unable to sit for the examination in the examination hall or request for assistance if s/he is unable to write due to injury. AR (A) shall make necessary arrangement in such cases and such cases

should be recorded in writing.

- xvi. With regard to conduct of viva-voce examinations, subject coordinators are required to submit names of examiners to the HoD office for approval of the director well before commencement of ESE. HoD office and the Subject Coordinator shall coordinate with the examiner for possible travel plan, accommodation etc. A list of approved examiners shall be communicated to the Office of AR (A) for despatching invitation letters well in advance.
- xvii. There shall be zero tolerance against Plagiarism. Each Thesis Report / any written assignment shall be filtered through plagiarism-checking software. Following penalty shall be imposed on a student in the event of his/her found guilty of plagiarism considering its severity.
- i) Level 1: Similarities above 10% to 25% - Such student shall not be given any credit for the plagiarized script and shall be asked to resubmit within a stipulated time period as decided by the HoD in consultation with Program Coordinator, Subject Coordinator, and Supervisor.
 - ii) Level 2: Similarities above 25% to 50% - Such student shall not be given any credit for the plagiarized script and shall be asked to resubmit within a stipulated time period as decided by the HoD in consultation with Programme Coordinator, Subject Coordinator and Supervisor.
 - iii) Level 3: Similarities above 50% - Such student shall not be given any credit for the plagiarized script and his/her submission shall stand cancelled.
- Xviii. For Progressive Evaluation following points are to be referred.
- i. With regard to conduct of Progressive Assessment, Coordinators of Subject/ Studio/ Design/ Project/ Thesis etc. shall inform the students of all assignments well in advance over email from time to time.
 - ii. HoDs may ensure minimum conflict in assignment schedules across subjects within the department.
 - iii. The Subject Coordinators are required to display the assignment-wise marks periodically to students and upload the same on Department Database system.
 - iv. Final marks of Progressive Evaluation to be declared to students and the same updated in Department records.
 - v. Subject Coordinators hold sole responsibility for marks/ grades awarded for Progressive Evaluation.

Regulation-11: Penalty for Unfair Means (UFM)

- i. Unfair means shall be sternly dealt with. Unfair means shall include use of inappropriate, undue or improper methods by a student while writing the examination. Carrying and/or copying of notes in any form during the examination shall be treated as unfair means. Unfair means shall also include plagiarism practiced in the writing of thesis, reports, and assignments as well as disturbing fellow students in the examination hall in any form.
- ii. A student resorting to unfair means for the first time during his / her studentship at SPAB in any component of the examination for any subject / studio etc. shall be debarred from that component of the examination for that subject / studio etc. and shall deem to have failed in that subject.
- iii. A student resorting to unfair means for the second time during his / her studentship at SPAB shall be debarred from that semester and shall have to re-register for the semester.
- iv. A student resorting to unfair means for the third time during his / her studentship at SPAB shall forfeit his/her studentship of SPAB.

Regulation 12: Re-Evaluation

- i. The answer books of class tests (if any) conducted for any Subject(s) will be shown to the students after the evaluation. No re-evaluation in any form is permitted for class tests except in cases where mistakes are detected by the students, like, non-awarding of marks against an answer, error in addition etc.
- ii. The answer books of written component for all Subject(s) of end semester examination will not be shown to the student. A student can apply to the AR (A) / (Admission & Examination) within a fortnight of declaration of results for re-evaluation of the answer books in prescribed form by paying the requisite fees.
- iii. The re-evaluation shall be made by a reviewer to be appointed by the DoA. There would be no change in marks awarded to the student if the re-evaluated marks are within + or - 5% marks from the original marks scored by the student.
- iv. There shall be no re-evaluation of supplementary examination.

The academic grading shall be made as follows:

Table-4: Grading Ranges and Credit Calculations

Letter Grade	Grade Point	Marks Range
O (Outstanding)	10	Above 90 Marks
A+ (Excellent)	9	80 – 90 Marks
A (Very Good)	8	70 – 79 Marks
B+ (Good)	7	60 – 69 Marks
B (Above Average)	6	55 – 59 Marks
C (Average)	5	51 – 54 Marks
P (Pass)	4	50 Marks
F(Fail)	0	Below 50 Marks
Ab (Absent)	0	Absent
F (AX)	Represents 'Debarred due to attendance shortage'	
I	Represents 'Incomplete results'. Proposed to be used in 'Thesis' and 'Studio' where extension is awarded beyond the regular time	
S	Represents 'Satisfactory'. Proposed to be used in non-credit or credit (but compulsory) Subjects that are not used in the computation of SGPA/CGPA. Could be used in subjects like, Communication Skills, Physical Education, Ethics etc.	
X	Represents 'Unsatisfactory'. Proposed to be used in non-credit or credit (but compulsory) Subjects that are not used in the computation of SGPA/CGPA. Could be used in subjects like, Communication Skills, Physical Education, Ethics etc.	

Illustration of Computation of SGPA and CGPA

Course	Subject Credit	Letter Grade	Grade Point	Credit Point
Course1	8	O	10	8 X 10 =80
Course2	5	A+	9	5 X 9 =45
Course3	5	A	8	5 X 8 =40
Course4	3	B+	7	3 X 7 =21
Course5	3	B	6	3 X 6 =18
Course6	3	C	5	3 X 5 =15
Course7	2	A	8	2 X 8 =16
Course8	1	B	6	1 X 6 =6
	30			241

Thus, SGPA = $241/30 = 8.03$

$$\text{SGPA} = \frac{\sum \text{Credit Point}}{\sum \text{Subject Credits}}$$

Semester 1	Semester 2	Semester 3	Semester 4
Credit:25 SGPA:8.03	Credit:25 SGPA:7.00	Credit:25 SGPA:5.60	Credit:25 SGPA:6.00

Thus, CGPA up to 4 Semester = $30 \times 8.03 + 30 \times 7.00 + 30 \times 5.60 + 30 \times 6.00 = 798.9$ CGPA
(up to 4 semester) = $798.9/120 = 6.66$

$$\text{CGPA} = \frac{\sum 4 \text{ Semester SGPA}}{\sum 4 \text{ Semester Subject Credits}}$$

Example of Computation of SGPA

Subject Code	Subject Name	Credit	Letter Grade	Grade Point	Credit Point
BARC01001	Architectural Design-I	8	O	10	80
BARC01002	Society, Culture & Architecture	5	A ⁺	9	45
BARC01003	Building Material & Construction-I	5	A	8	40
BARC01004	Ecology & Environmental Science	3	B ⁺	7	21
BARC01005	Graphics-I	3	B	6	18
BARC01006	Statics & Strength of Material	3	C	5	15
BARC01007	Workshop	2	A	8	16
BARC01008	Mathematics for Architecture	1	B	6	6
Total		30			241
					SGPA 8.03

Thus, SGPA = 241/30 =8.03

Regulation-13: Promotion and Debarment

- Promotion to next semester is contingent upon clearing the minimum credits of preceding semester, no pendency of disciplinary proceedings, payment of all outstanding dues of previous semester and registration to the semester by paying the requisite fees.
- Maximum credits that can be taken forward for promotion to next academic year from the point of view of academic performance of the student will be as follows:

Table-5: Academic Requirement for Annual Promotion

B. Arch / B. Plan Programme		maximum credit to be carried forward	Remarks
From	To		
First Year	Second Year	40% of total Credits offered Annually*	
Second Year	Third Year	40% of total Credits offered Annually*	Admission to third year (V semester) is contingent upon clearing of all subjects of first year
Third Year	Fourth Year	40% of total Credits offered Annually*	Admission to fourth year (VII semester) is contingent upon clearing of all subjects of second year
Fourth Year	Fifth Year	40% of total Credits offered Annually*	Admission to fifth year (IX semester) is contingent upon clearing of all subjects of third year
All Masters Programmes			
First Year	Second Year	40% of total Credits offered Annually*	

* This condition is applicable when a backlog in a particular semester does not exceed 40% of total credits, in which case clause (iii) given below will apply.

N.B. Promotion to next academic year is subject to the condition of the maximum credits that can be taken forward and the compliance of the mandatory attendance requirement as stipulated under Regulation.'

- iii. A student having a backlog of more than 40% of credits assigned in a single semester will have to re-register in that semester in all Subjects / Studio / Design / Project / Thesis etc., and attend classes to be evaluated afresh, regardless of earlier performance, and will not get any further options of Supplementary Examinations.
- iv. During End semester Examination if any student has genuine medical reasons/condition/family exigency and is unable to attend the examination, parent/guardians, must produce a valid medical certificate from a registered medical practitioner immediately. It will be duly verified by institute Medical Officer and submitted in office of Dean Academics. In such cases, based on the recommendation of Head of the respective Department and Dean Academics, Director may allow such student to appear in respective supplementary examination irrespective of backlog of credits in that semester in which such exigency occurred with the student.
