Fw: Rajya Sabha Provisionally Admitted Starred Question dairy No. 250 dated 02/04/2025 regarding Reduce stress levels among students

Sir / Madam,

Please find below the point-wise reply to the Rajya Sabha Provisionally Admitted Starred Question dairy No. 7589 dated 02/04/2025 regarding the suicide deaths by students due to exam fear and failure to crack qualifying exams:

Question (a): is the Government aware that students stress levels are rising for multiple reasons? If so, has any research been undertaken on this matter.

Reply: It is noticed that students' stress levels have increased, maybe with the starting of regular classes after Covid. No research has been undertaken at this Institute.

Question (b): does Government have specific data on student suicides, including state-wise statistics from the past three years;

Reply: No cases of suicides in the past three years in respect of SPA Bhopal.

Question (c): have there been discussions with State Governments and other stakeholders focused on alleviating student stress;

Reply: Yes.

Question (d): if so, could you provide details and any action plans created to address and reduce stress levels among students?

Reply: The Institute is providing facilities for the holistic environment/development of the students. The facilities for indoor and outdoor co-curricular activities are provided to the students. The Student Council is in place and they organize periodical activities for the overall development of the students. The Institute has also engaged a Clinical Psychologist and established an infirmary for the welfare of the students. Awareness sessions are organized on Drug Abuse by the Experts for the well being of the students. Students are encouraged to do YOGA and Breathing exercises regularly that are imparted by Master Trainers of YOGA on the occasion of International YOGA Day. More extra curricular avenues are provided to students to engage and entertain themselves.

Sir,

Please find below the reply from SPA Bhopal:-

a. Whether discrimination against SC/ST have increased in the country during the last 10 years

Reply: No such trend is noticed at School of Planning and Architecture Bhopal

b. The details and number of cases found

Reply: NIL

- c. The details of measures taken by Government to prevent discrimination at central offices

Reply: A standing committee for prevention of caste based discrimination is in place . Provision to register complaints is given on the website. A complaint register is maintained in the office of the Registrar for the students to register complaints on caste discrimination. The student council is sensitised on this matter and they ensure that discrimination based on caste does not exist among students.

SCHOOL OF PLANNING AND ARCHIECTURE BHOPAL

PROVISIONAL ADMITTED QUESTION FOR THE RAJYA SABHA Diary No.— S3009

Recruitment of PwD Categories

SPA Bhopal has total no. of 73 sanctioned positions of Professor, Associate Professor and Assistant Professor. Out of which 53 positions are filled.

Vacancies of PwD quota are horizontal and included in the total no. of vacancies in SPA Bhopal. Therefore, there is no separate Recruitment against PwD Quota in SPA Bhopal and it is conducted simultaneously and appointed against UR/SC/ST/OBC category, as the case may be, to which the candidate belongs.

As per the 73 sanctioned faculty positions, 3 positions are earmarked for persons with disabilities in different categories as per DoPT guidelines.

Faculty positions reserved for PWD Category:

SN	Institute Name	Total no. of Faculty positions reserved under PWD Categories.		Percentage of positions currently filled.
		Sanctioned	Filled	
1	SPA Bhopal	NIL	1	1.89*
*As per 53 filled positions				

At present one position of Professor is filled under OBC-PWD(OH) category.

One Assistant Professor was appointed in the year 2010 under OH Category. However this post was vacated by the incumbent.

Recruitment advertisement for vacant teaching positions has been published in SEP-2024 and shortfall, if any, in PwD category, shall be filled if deserving applications are received.

Rajya Sabha Unstarred Question No. 209 for 27.11.2024 asked by Hon'ble MP. Shri K.R. Suresh Rcdy regarding Digital Education Accessibility for Differently abled Students

a). The steps taken by Government to insure that digital education platforms are accessible to differently-abled students;

- At SPA Bhopal, the digital online platforms like Google meet, Zoom, etc. are frequently used by the teaching and dissemination of knowledge such as online lectures, seminars, webinars etc.
- The institution also facilitates inclusive spaces for persons with disabilities (PWD) through lifts, ramps and specially designed toilets on every floor in all academic buildings.
- Besides, the official website has a feature of multiple languages to avoid the language barriers making it more inclusive and user friendly.
- All repository and lab facilities are available to the differently-abled students for accessing digital education.

b). The current status of the implementation of assistive technologies for online education in schools and colleges;

- At SPA Bhopal, studios are well-equipped with the devices for learning with digital equipments like projectors, speakers, etc.
- Further, a number of initiatives were taken up by the institution by effectively using the assistive technologies.
- A few of such initiatives include the multidisciplinary design innovations, offering of the special electives on inclusive design and planning, hands-on workshops, conducting the national student design competitions on inclusive design, universal design for exploring world heritage sites and 'inclusive design in pilgrimage sites, design for the elderly, universal design for cultural interface in sacred site, etc.

c). Whether Government is planning to expand these initiative to ensure full inclusivity in the education system

- SPA Bhopal has included inclusivity in its curriculum of the planning, architecture and design programmes. Further the institution is constantly endeavouring to expand these initiatives to ensure full inclusivity in all the programmes offered.
- The institution in line with NEP 2020 has revised the syllabus so as to include the inclusivity and human values in its curriculum.
- From time-to-time, SPA Bhopal has been including the advanced digital technologies such as geospatial technologies, artificial intelligence, big data analytics in its course curriculum so as to address the critical issues concerning the differently-abled and make the syllabus more inclusive and user friendly.

If so, the details thereof?

- SPA Bhopal has initiated and supported faculty and student projects in the identified priority areas related to the digital education accessibility through its various centres.
- The institution also supports undergraduate, postgraduate projects/studios and PhD research on the theme.
- Many theses related to the theme of inclusivity have been taken up by the students, at SPA Bhopal
- Some of the projects include DEIC for National Health Mission, low-cost disabled friendly toilets in Anganwadi centers in association with Arushi and UNICEF, Universal Design India Project in collaboration with NID, Ahmedabad etc.
- One of its centres Centre for Human Centric Research has been empanelled as Access Auditors with Ministry of Social Justice and Empowerment.
