

## **Summer Internship Opportunity at SPA Bhopal**

Application invited from interested students for the project titled “Universal Design Innovation for Heritage” funded by Ministry of Education, Govt. of India.

The research aims at assessing universal accessibility of heritage city. The scope of work of the winter interns would include:

1. GIS analysis of Drone images
2. Data collection through survey

### **Required qualification:**

The student should be enrolled in U.G. or P.G. programme and should have a good knowledge of GIS and remote sensing. People with experience of analyzing drone images will be preferred.

**Maximum number of interns permissible:** 4 students

### **Remuneration:**

All costs will be borne from Project Fund. The stipend will be provided at the rate of Rs. 6000/- (six thousand only) per month with accommodation at SPA, Bhopal campus. During the field visits, the expenses of the student (food, lodging, travel) will be borne from the project fund.

**Duration:** 1st June to 15th July 2023.

Method of Selection:

As per the institute norms for the selection of interns.
